1. CALL TO ORDER

The meeting is called to order at 20:19.

2. APPROVAL OF THE AGENDA

MOTION

Moved: S. Shepherd

Seconded: C. Scott

Be it resolved that the agenda for the November 22, 2012 UTSU Annual General Meeting be approved as presented.

DISCUSSION

Qu asks what will happen if the meeting business is not completed.

Hashemi states that business will be forwarded to the next board of directors or the next general meeting.

Qu states that there is only an hour and a half to get through the discussion.

Maharaj states that the room is over capacity and that there is a safety issue in the room.

Hashemi asks members not to block the fire door.

Greene speaks against the motion. He states that you should not have confidence that the agenda represents student concerns. He states that the process was not transparent and undemocratic. He states that if the bylaws are not transparent that students can't understand them then students shouldn't have faith in the agenda. He states that members should oppose the agenda because the rules for adding items to the agenda is unclear.
